# Teacher Testimonials

**The best introductory, yet comprehensive law curriculum I have ever found.** All is relevant to the students and engaging. Super organized content and easy to use. I 100% **recommend** for all business law instructors.

**I have been thoroughly impressed by this product.** The material is well-organized and easy to follow, making it an ideal tool for both new and experienced educators. The content is engaging and aligns perfectly with the curriculum standards, ensuring that students are not only learning but also enjoying the process.

My students found these activities **very engaging**. I loved how students directed the learning, bringing many **excellent** class discussions.

I appreciated the number and **variety** of activities available in this bundle. **Very little prep** is needed to facilitate the activities. I also appreciate how all document links are organized in one google doc. The case studies **are very engaging** for my students.
