Teacher Testimonials

I printed this and made into an accounting color book for each student.

This is **one of my all time favorite purchases** on TpT. **Denise makes great material** and this is one that I use to introduce and review concepts in my Accounting class.

I require my students to keep a notebook in Accounting. This resource was a **great addition** to their notes. I am not very artistic but I have an "outline" in my mind of what I would like to do and this resource was like "reading my mind"!

Great resource!

My students **enjoyed** this
