BUSINESS EDUCATION WITH *Denise Leigh*

# Sketch Notes use the left AND right brain at the SAME TIME!

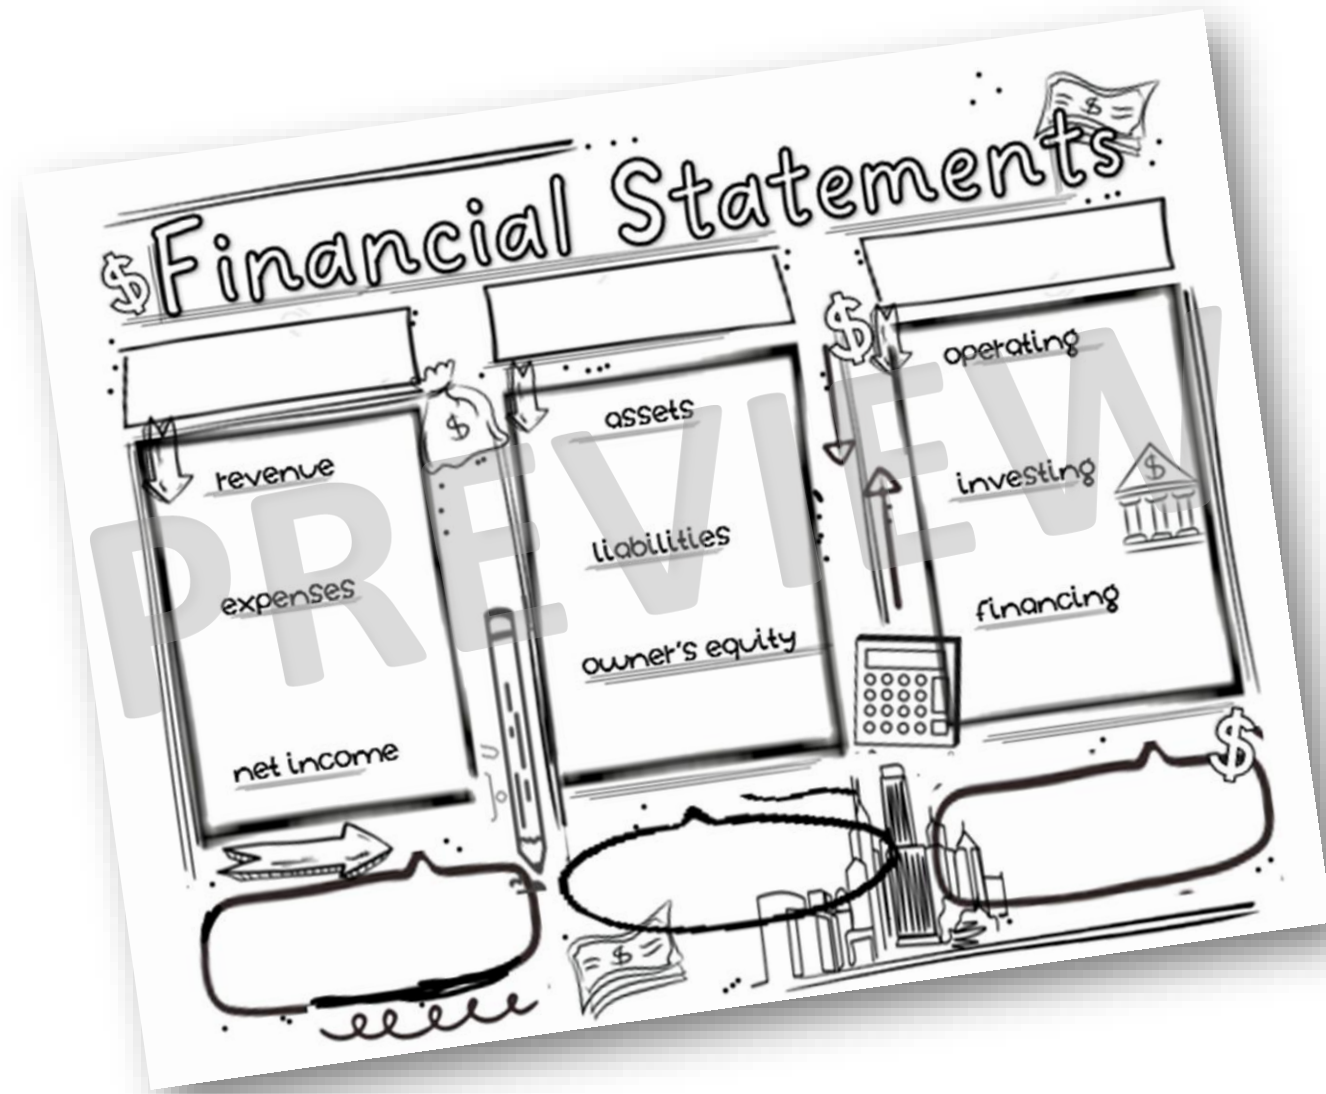

**Accounts Payable vs.  
Accounts Receivable**

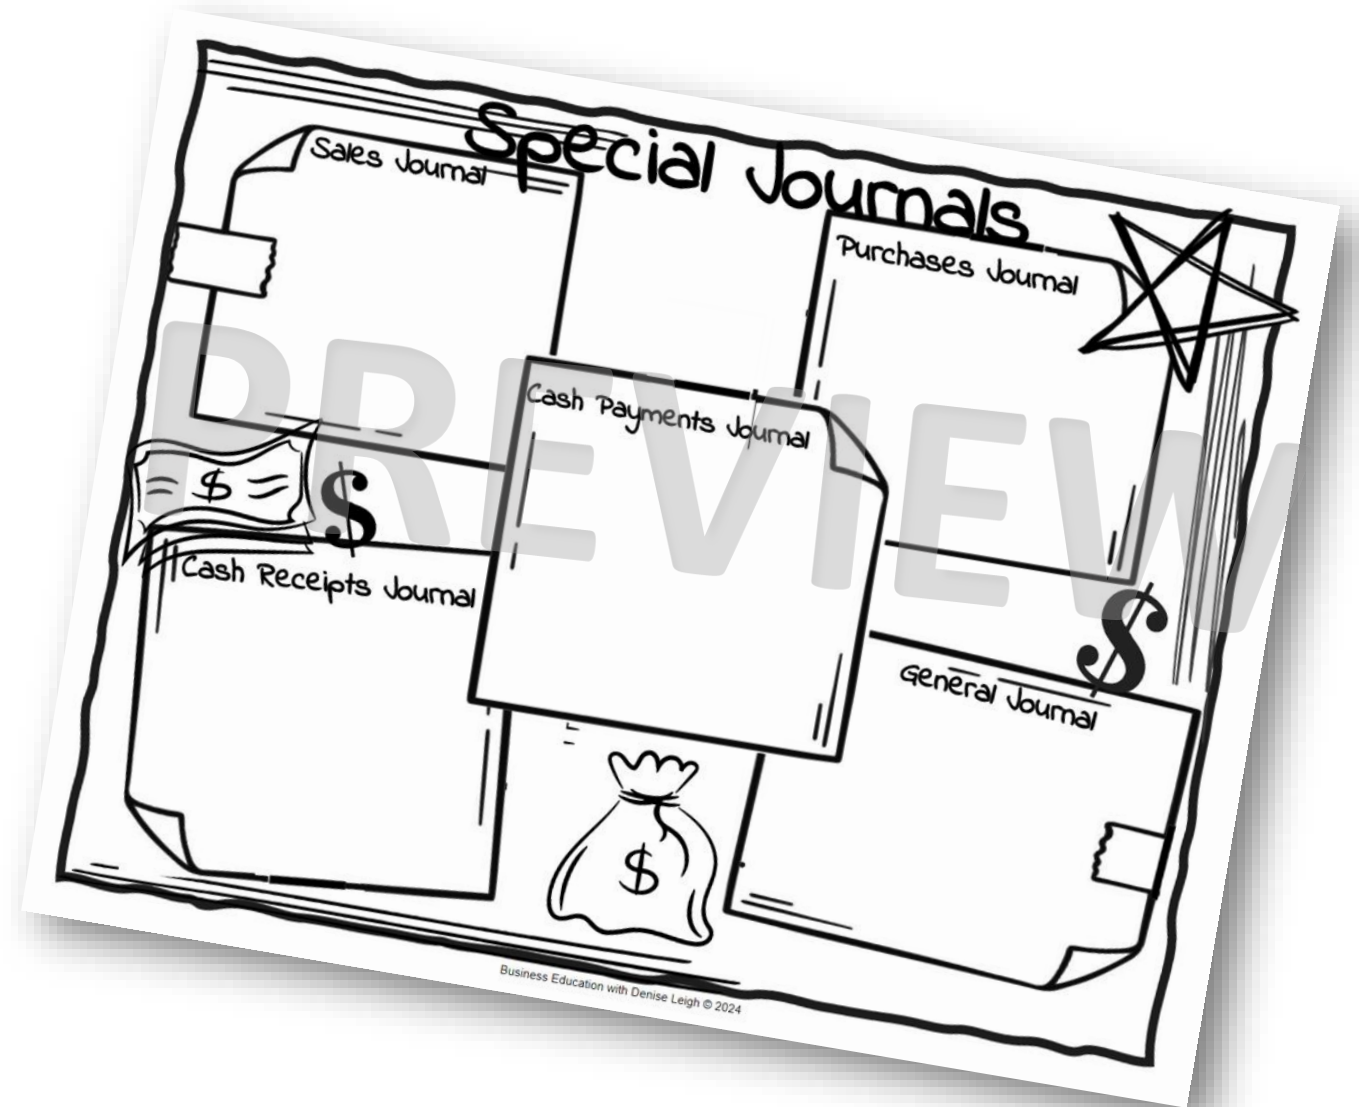

**Accounting  
Equation**

**Sometimes your students (and you) just need a content-related brain break!  
Put on some music and let them color!**

# Sketch Notes are a GREAT tool for immersive learning!

**Financial Statements**

**Special Journals**

**Teacher's Notes Included!**

**Great student artifacts  
for your  
Accounting Classroom!**

**The more we are exposed to information...the more we RETAIN!**

# Teacher Testimonials

**This is one of my all-time favorite purchases on TpT.** Denise makes **great** material and this is one that I use to introduce and review concepts in my Accounting class.

My students liked this as a review activity. The **enjoyed** the coloring part as well so we could hang them up in the classroom.

I needed something to use for my Entrepreneurship 2 class to cover some Accounting topics and this was a great resource. **Easy for the students to understand!** They **loved** the sketch notes...very **easy to understand** concepts.

This was a **great review** activity and an opportunity to reteach concepts students didn't seem to grasp. **Great activity!** The students **loved** coloring their notes too!!
