**This set includes classes offered and skills learned
in BUSINESS EDUCATION! COMPLETELY EDITABLE!**

These course names and skills are a full sheet. I printed these "2 per slide" to get this size in the photo.

1. Print out the file.
2. Cut the letters apart.
3. Place black (or colored) paper behind each letter.
4. Laminate, if you wish.

I used black clothes pins to pin each letter on black rope.

You can also punch a hole in the top corner of each letter and string them. Banner letters can also simply be stapled on a bulletin board.
