Teacher Testimonials

I used this to promote FBLA in our school hallway. **Time saver!**

I used this resource for a bulletin board in the hallway outside my classroom. It's CTE month and this was perfect to highlight the classes we offer. Thanks for another **great resource!**

Put this bulletin board together right before course selection time. Really helped students realize just how many courses were available to them.

This is a **really nice** bulletin board set. It was **so easy** to print out and use. Thanks Denise!!!
