# Teacher Testimonials

This resource has really helped supplement time in class with student-led research to support the topics we cover. It's a **great activity** and the kids were **engaged**.

During my Career unit, these resources were **great resources** to use to help students complete research on their desired career that eventually will be used in their final portfolio. **Easy to use** and **great** to teach students about career clusters!

This worksheet is a **great introduction** with student independence to build on their background knowledge.
