BUSINESS EDUCATION WITH *Denise Leigh*

Assign half of the class to complete the right arrow, the other half to complete the left arrow...and hang them in your class!

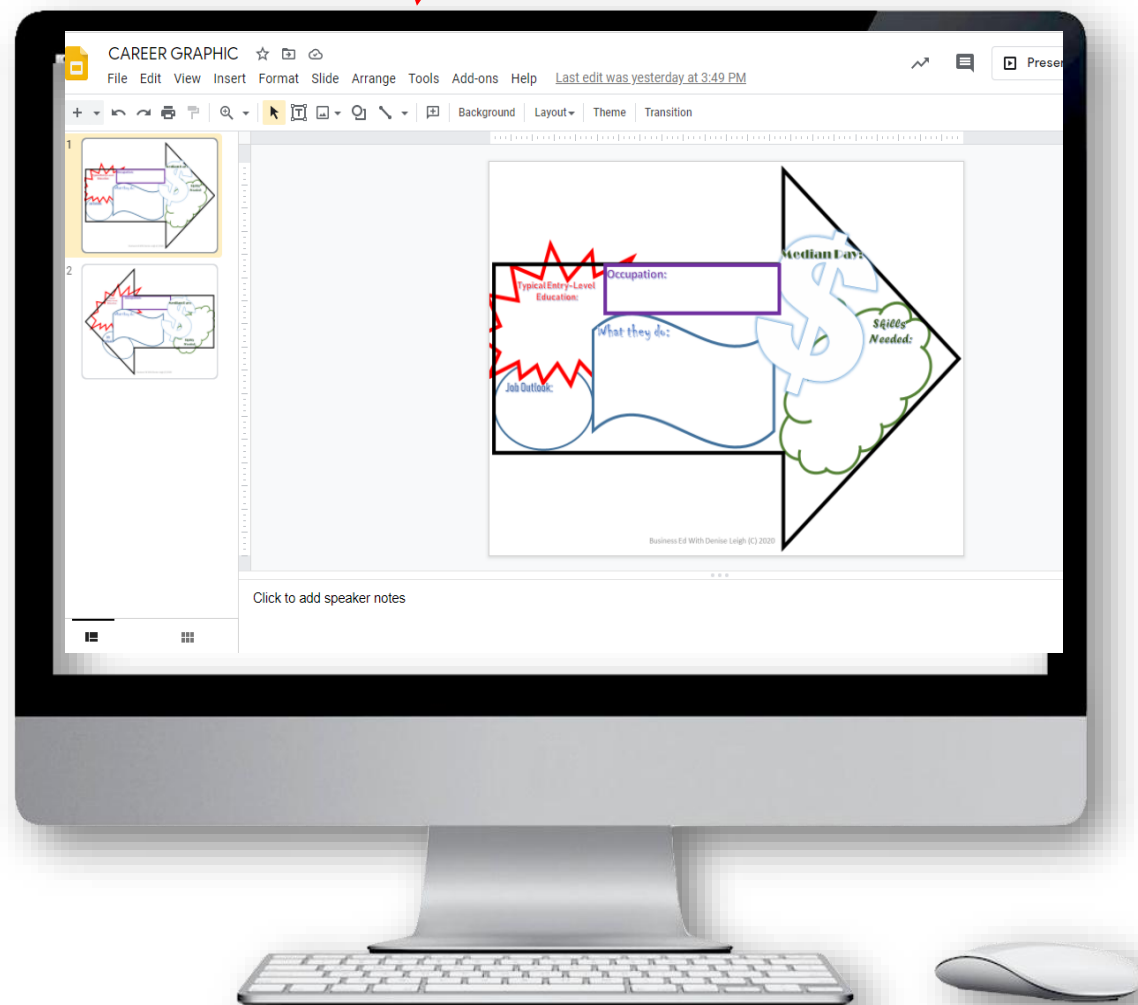

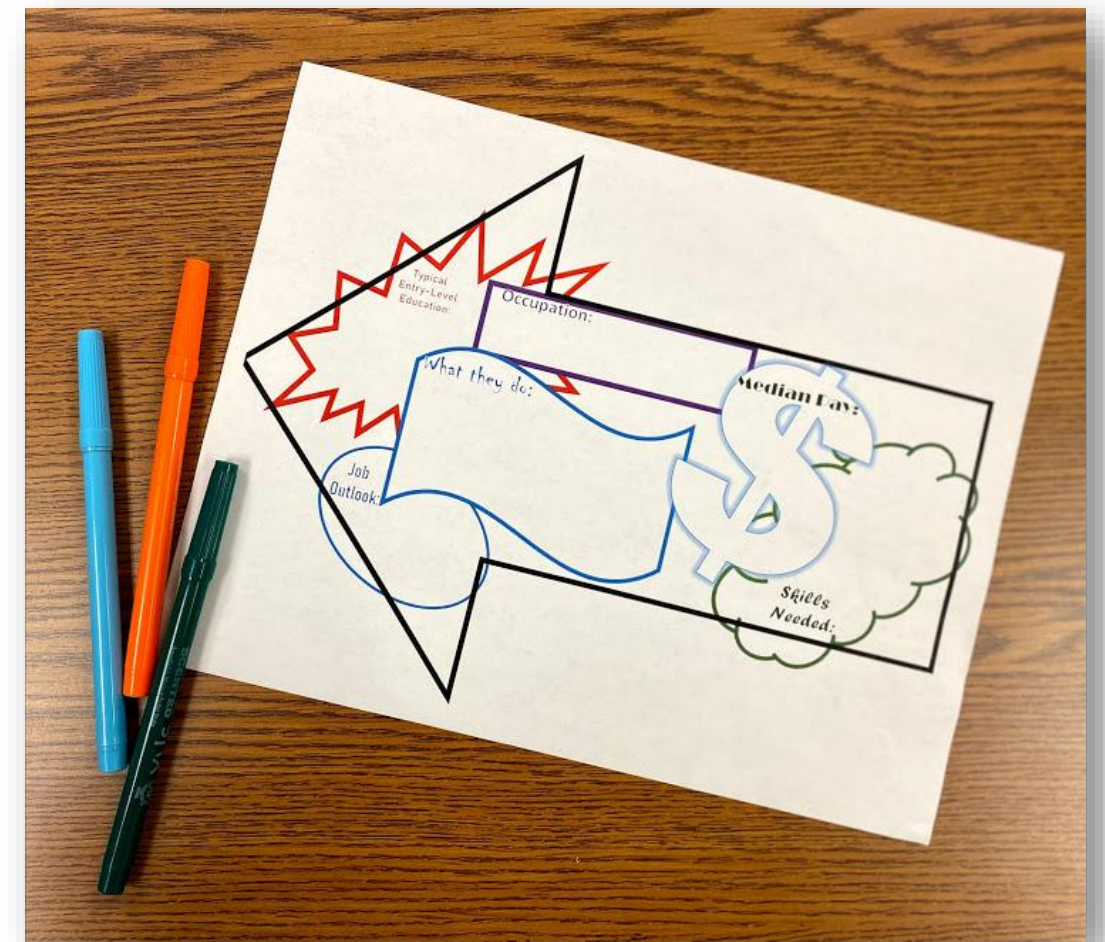

Students use the Occupational Outlook Handbook website to do career research to complete the arrow graphics!

Students complete with markers or colored pencils.

OR

Students complete the file digitally!

When my students completed this activity digitally, I encouraged them to use various fonts and colors to make the print-out even more visually appealing!

Teacher Testimonials

My students and I loved this resource. It was a **great way** to showcase their resource. **Would totally buy again!**

This was a **great way** to visually display student learning and it doesn't have to be completely digital which my students enjoy.

Great way to finish up our careers section and add some decor to the hallway.

I love all of the products that I buy from this seller.

Easy to assign and gives something that can be displayed in the classroom.
