Teacher Testimonials

My students really **enjoyed** this activity as an intro to Google slides! It **was fun and engaging and super easy to use!** **No prep** necessary! Thank you!

These were adorable. I appreciate the examples. The students ran with the concept and made some very cute stands. These are **fun projects that sneak in the learning!** lol

Great resource for my students. It was **very helpful.**

This was a **fun activity** I used at the end of the semester in my technology class. The kids had fun creating their own coffee shops!

A **great break** in the monotony of the online curriculum.
