Teacher Testimonials

This resource helped my students **engage** with the career cluster in a meaningful way.

This digital activity enables students to thoroughly research careers in the human services field. By completing research components on job duties, skills, and outlook, students gain meaningful exposure to human services careers. The activity equips students with key insights to thoughtfully consider career paths in childcare, social work, counseling, and more.

Great helper when my originally plan fell short! **Great resource** as always!
