## Autocratic, Democratic, & Laissez-Faire

**NO PREP!**

### AUTOCRATIC MANAGEMENT STYLE

Autocratic leadership is a leadership style characterized by individual control over all decisions and little input from group members. Autocratic leaders typically make choices based on their ideas and judgements and rarely accept advice from followers.

# Teacher Testimonials

This was a **great resource** in my Intro to Business class. **Students enjoyed** working on the assignment. Thank you for sharing.

**My students loved** using this resource in class. This resource presents information clearly and straightforwardly, making complex topics easier to understand and learn.

Ready to implement lesson. Good to introduce or give further example of management styles.

This was my first purchase from Denise. I found it interesting on how the lesson was planned out so I clicked on her TPT page and it opened a whole world of resources she has available. **I've never been disappointed with one purchase I've made with her** and my **students really enjoy** the student lead learning aspect. If you have not done so yet, check out all of her resources. You won't be sorry!
