Teacher Testimonials

My students were interested to get more details on this case. They were amazed at the details of the case and the apparent lack of concern from some McDonald's employees/spokespeople.

I **love these case studies** for Fridays or before breaks. They are **easy to use** and **no prep** for the teacher. **Students love** them, always learn something new and spark great conversation. Thank you for putting together such an engaging resource.

Love this resource that engaged students and created a great discussion afterwards!

This was **very helpful** in getting students to **talk and engage** in class.

My students **enjoyed** this. I really like this since it's such a popular place to eat.
