Teacher Testimonials

Important information if you are going into the account field. My students were **totally engaged** in this lesson. I also had them fill out some petty cash slips with business scenarios. **Great lesson.**

You are always a hit! I used this in my Accounting course. It is informative, **relevant and engaging!** Thank you for the quality materials. **Highly Recommend ANYTHING from this seller!**

My accounting curriculum doesn't cover petty cash till the end of the course. This was a **great resource** to introduce the students to the concept.
