## COLLEGE COSTS REALITY CHECK

What college or University are you thinking of attending?	
Search the web to find out how much tuition is per year.	
Search the web to find out how much room and board it per year.	
When you go on the school's website, are there any other fees listed? If so, list them.	
Add up all of the expenses above and multiply the tuition and room and board by four. (assuming that you will be attending for 4 years)	
What is your reality if you will be borrowing money to go to college? How much will you have to pay back?	

Create a reality statement. State your goal in going to college and state how much you will pay back after college.

Select 3 cost-cutting tips above that you feel you can implement to save.

[THIS LINK](#) discusses 4 common ways that college students make mistakes. Read the article and complete the table below...

	List each common mistake here.	What can you do to avoid making this mistake?
