Teacher Testimonials

My students **loved** using the different areas of this, and she always makes such an engaging lesson to use. **Highly recommend anything from Denise Leigh.** It never disappoints. This was great for Intro Business students.

I love the case studies because they are (sic) very student centered. It forces students to do the research and be more engaged in the learning. **Great resource.**

Easy to use and does a good job of covering the topic!

Thank you for this resource! It helps prepare students and they recognize the relevance! **Your lessons are ALWAYS a hit!**
