BUSINESS EDUCATION WITH *Denise Leigh*

**Makes the Connection
Between Law
Careers &
Entrepreneurship**

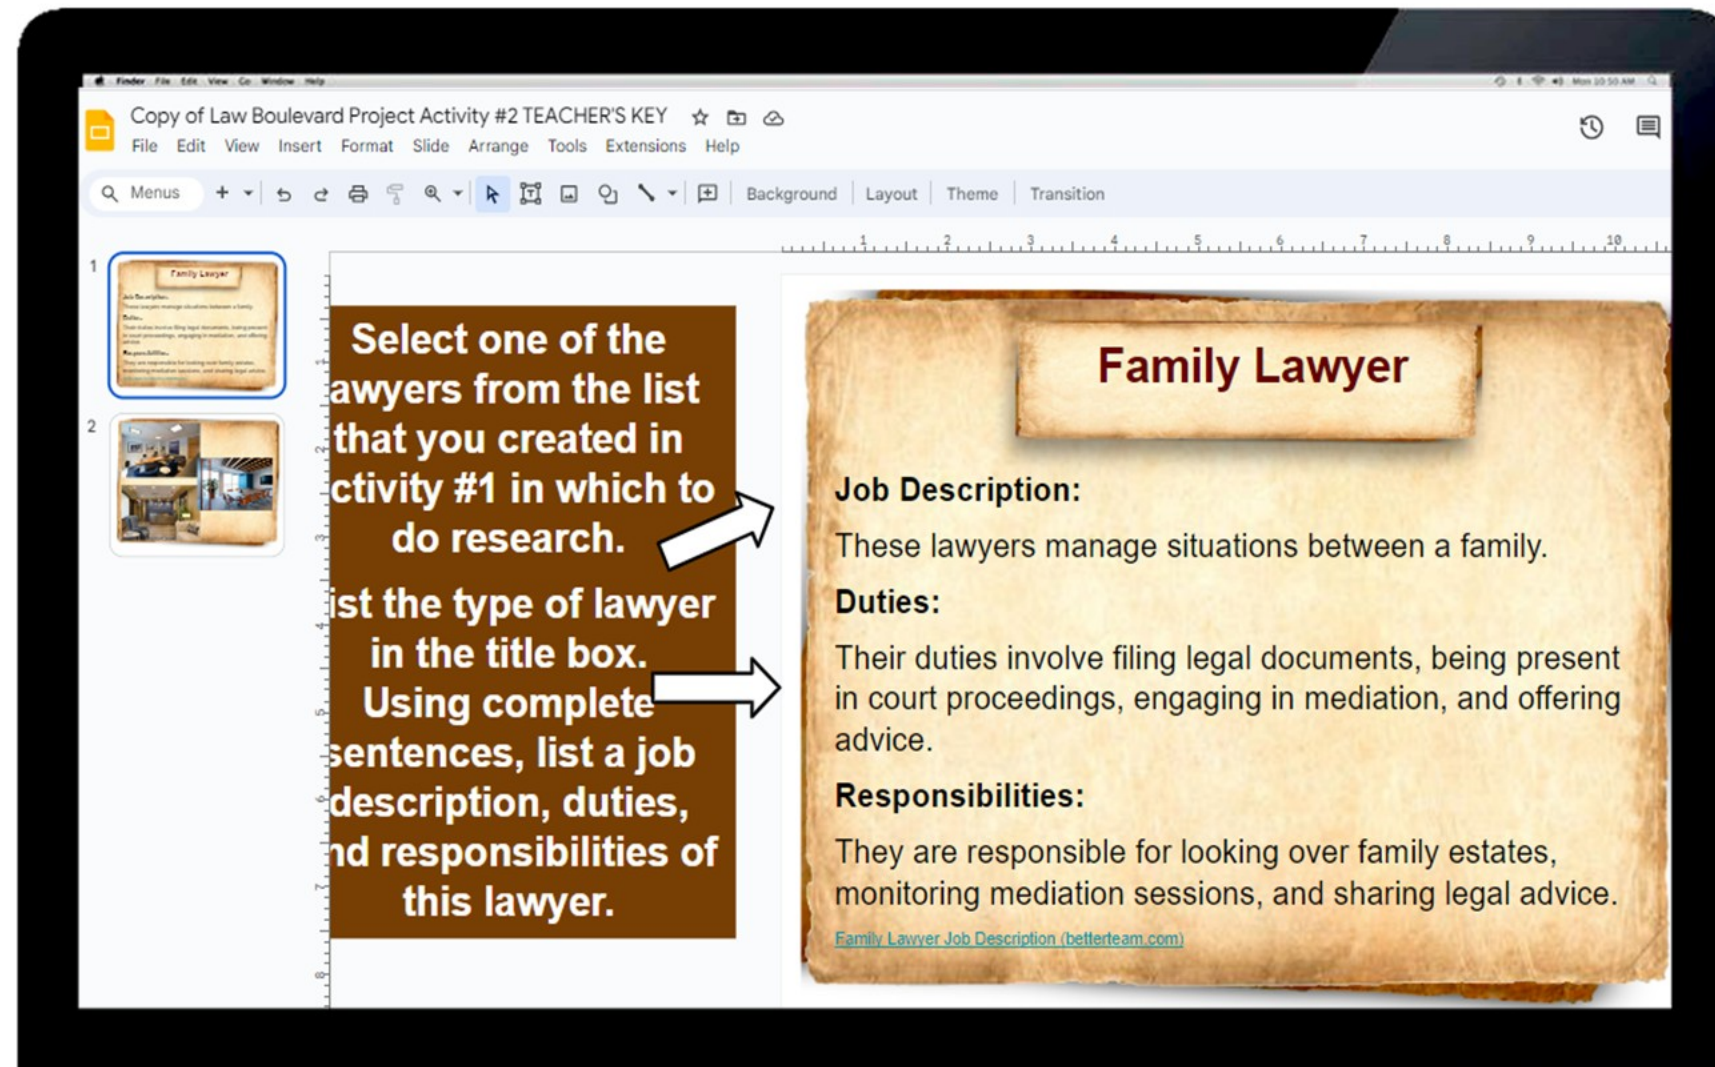

Business Law Boulevard

Students select a Branch of Law and create a Law Office offering those professional services.

Students populate a Google Slides file & Print their project from there...

(Can EASILY be converted to Microsoft PowerPoint®)

This file is SO easy to use! Students are given clear instructions with prompts and suggestions so that all learners are successful in completing the project.

ALL CLIP ART IS INCLUDED

**I used black and brown folders.
(not pocket folders)
Construction paper
can also be used.**

**I refolded and cut the
building front in half and
glued it on the outside
of the folder.**

Layout of the Career Project

Choose a Branch of Law and list the duties, responsibilities, & description of the job.

Education & license needed?

Who are my clients?

Who works in my office?
Career connection

What might my Law office look like?

Hours of operation

This is a great opportunity to display student work while learning about the Branches of Law and Careers within the Business Law field!

Our Business Law Blvd

Teacher Testimonials

This was a **great interactive way** for students to learn (sic) more about different types of lawyers while using some creativity and engagement. **Great resource!!**

This was a **super creative way** for students to further research careers in law! **Way more engaging** than some activities I've done in the past.

Outstanding resource! Students found this **very interesting and engaging**. Thank you for making the teacher prep work **easier and more fun!**
