A GREAT WAY TO MIX UP YOUR DAILY TEACHING ROUTINE!

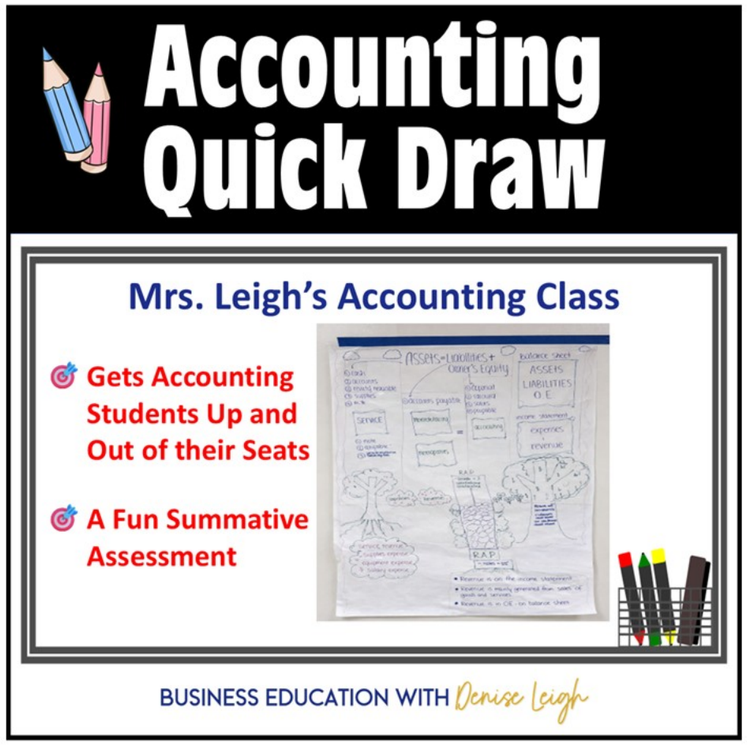

For Accounting students to complete this activity, they must know the following:

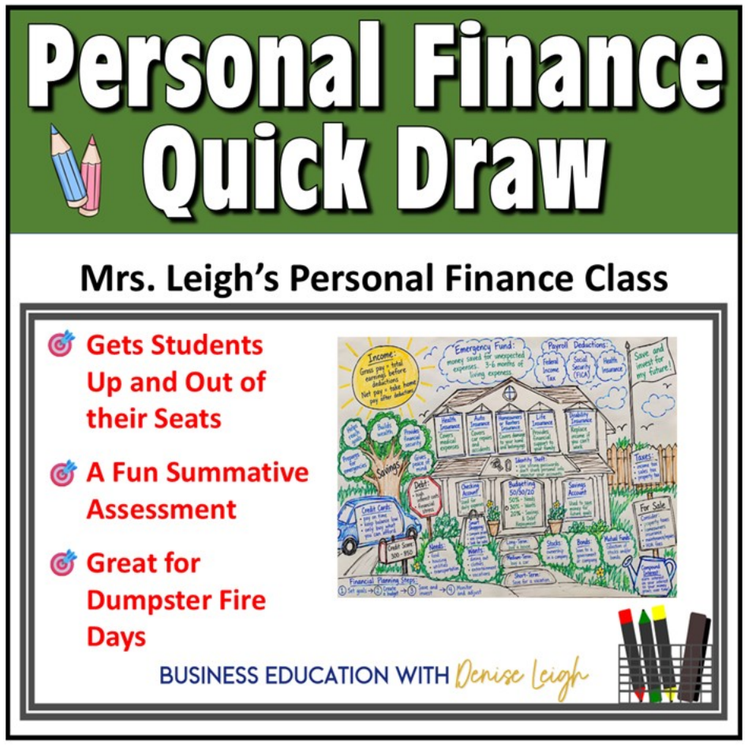

- Accounting Equation
- Account classifications (assets, liabilities, & owner's equity)
- Accounts included on the Income Statement
- Accounts included on the Balance Sheet
- Differentiate between vendor and customer
- The Purpose of GAAP
- Familiar with some accounting careers

A Fun Way to Assess Your Accounting Students

I have Quick Draws for Accounting, Personal Finance, and Entrepreneurship.

BUSINESS EDUCATION WITH *Denise Leigh*

I taught High School Accounting for 28 years.

Hi! My name is Denise Leigh. I have been teaching Business Education for over 25 years! I love collaborating with business educators all over the world. I am a 2022 Pennsylvania Teacher of the Year Finalist and relentless lifetime learner and lover of everything education. Engaging students and connecting them to their world is my jam!
Thank you for exploring my resources and sharing my passion for BUSINESS EDUCATION!

Denise Leigh is an expert on student-led instruction. She was featured on CBS Pittsburgh for her City Collaborative™ Project-Based Business Education (PBL) Classroom.
