Pacing suggestions highlighted in yellow

Student Copies

Teacher's Keys

Expected Time / Pacing

Economic Introduction -45 min.	Teacher's Key
Fundamentals of Economics -55 min.	Teacher's Key
Supply and Demand Deep Dive -30 min.	Teacher's Key for Supply and Demand Deep Dive
Free Enterprise -60 min.	Teacher's Key to Free Enterprise
Progressive and Regressive Tax -40 min.	Teacher's Key
Circular Flow Model -45 min.	Teacher's Key
Microeconomics vs Macroeconomics - printable worksheet-30 min.	Teacher's Key for Microeconomics vs Macroeconomics
Impact of Fiscal Policy - 45 minutes	Teacher's Key
Federal, State, and Local Income Taxes - 40 minutes	Teacher's Key for Income Taxes
Types of Taxes -Teacher tip: This is a WebQuest. I recommend giving each of the 10 types of taxes to each student or pair them up. After assigning each tax, give them 5 minutes (or so) to search and record their findings. Each student or pair will then take turns reporting their findings with the class as they complete their digital activity.	Teacher's Key for Types of Taxes
Payroll Taxes and Deductions -40 minutes	Teacher's Key for Payroll Taxes and Deductions
Map Tax Facts Activity and Bulletin Board - 45 minutes + Discussion	←Teacher's key is in the resource file
