BUSINESS EDUCATION WITH *Denise Leigh*

This makes me so happy!

'I have used Denise's lesson for year, and I finally had my district by me this bundle for my Business class. For the first time I finally feel organized and confident in what I'm teaching. I can't say enough about how wonderfully laid out this product it (sic). So seamless. Love and will continue to purchase Denise's products.' –Meredith C.

Teacher Testimonials

Like many business teachers, I found myself teaching a new class (Intro to Business) with little time to prepare, little direction, no curriculum and standards, and no materials. If you find yourself in a similar situation--then **Denise Leigh needs to be your first "go to"**.

Awesome resources! I used this for a trimester Intro to Business class and the **students were engaged and learned a ton!**

My students are always engaged. They never complain "why are we doing this?" They like the content and the activities. I love that it's very low prep on my end. **I am extremely satisfied with all my purchases from Denise Leigh.** She is professional and makes our lives easier.
